- Helpful for networking locally, volunteering, and getting involved in the community.

- **Organization 3: CompTIA**

- Offers entry-level certs like Data+ and Security+ that match your skills (data, SQL, cyber). Strong beginner support and practical learning.

- **Best choice for my professional interests:**

- **CompTIA** – It aligns best with my goals of learning data analysis, improving cybersecurity skills, and qualifying for remote, high-paying jobs using SQL and analytics.
